

MISSION

The Kappa Sigma Fraternity compliments and enhances the educational mission of the University. Kappa Sigma promotes academic achievement and assists each member to academic success. By helping members adjust to college life, we can help them pursue their academic goals. The Fraternity also promotes campus involvement because extra-curricular activities can be just as valuable as the classroom experience.

- The Kappa Sigma Fraternity is the largest Fraternity with more than 17,000 brothers in more than 300 chapters and colonies on campuses across the United States and Canada.
- Over \$100,000 is awarded each year by the Kappa Sigma Endowment Fund to brothers who excel in scholarship and leadership.
- The Fraternity offers members leadership opportunities including internships and job opportunities after college.
